Morgan L. Fenner, the oldest person in Linesville, died at his residence September 9th, 1902, in the 90th year of his age. He had been in good health until about two weeks ago, when he began to fail and gradually grew eaker until the time of his death. He had no particular disease, the cause of his death as stated by himself, was "he was worn out." His daughter, Mrs. H.A. Penfield, and family, have resided with him for a considerable time. He was born in Cold Brook, Herkimer county, N.Y., Feb. 22, 1813, and was the survivor of a family of seven children of which he was the second son. He resided in Herkimer county until 1849, when he moved with his family to Conneaut township, this county, where he resided until 1872, when he located in Linesville, where he has since remained. In 1839 he was married to Delany Sanderson, of Herkimer county, N.Y., who died April 11, 1892; to them five children were born, viz: E.S. Fenner, of Franklin, Pa.; Olevia, who died in infancy, in 1862; J.E. Fenner, Mrs. H.A. Penfield and A.M. Fenner, of Linesville. Religiously Mr. Fenner was a Spiritualist; politically, he was a Republican, and voted the Republican ticket straight, at every election, from the time he voted for John C. Fremont, in 1856, until the time of his death.

He was very energetic, industrious and a fine mechanic - by trade, a millwright; In the earlier part of his life he was extensively engaged in grist and saw mill building and farming. In a general way he was a very successful business man.
