DEATH LIST
 Andrew J. Newcomb died at the Grover House, Feb. 19, after a short illness, aged 62 years. His family's demise a few years ago seemed to leave him nothing to live for and although he took to his bed less than a month ago his health failed him soon after his wife's death. His only daughter, when blooming into womanhood, was burned fatally by a lamp; his wife died a few years later of a cancer. The Masonic lodge of this place cared for him in his last illness and buried him with their honors.
